The Absolutely Amazing Adventures of Agent Auggie Spinoza Steven Stickler

Warning: if you enjoy romantic tales about princesses dressed in pink, DO NOT READ THIS BOOK!

Auggie Spinoza is a ten-year-old boy with a secret: he is a special agent who can travel through time. Now, he finds himself locked in a desperate battle against evil forces trying to change the course of history. To defeat them, Auggie must pursue a dangerous quest to find a set of mysterious clues hidden in the past.

With the help of a clever new friend and advice from a cast of famous characters with names like Jefferson, Darwin, and Plato, Auggie fights to fulfill his destiny and save his world from ruin. Along the way, he learns the importance of thinking clearly and shows the awesome power of a code-breaking, book-loving, time-traveling ten-year-old with a talent for being in the right place at the right time (and doing the right thing).

Fans of Rick Riordan, *The 39 Clues*, and *The Secrets of the Immortal Nicholas Flamel* will delight in this action-packed and thought-provoking adventure through history.
