DOUBLE the size of other blank recipe books with room for 100 Recipes! Plenty of room for longer ingredient lists and instructions too! Keep your favorite recipes organized in one place with this blank recipe book journal. Have you ever spent a long time searching through magazines, cookbooks, and printouts looking for a particular recipe? Or worse yet, have you ever lost a recipe you love? It's happened to us on several occasions. We have dozens of recipe books that we refer to often. We have hundreds of recipes cut out from magazines, we have some stored on apps, we have written notes on flimsy cards in the cabinets – basically we have recipes everywhere. Can you relate? It's frustrating! So we decided to create a series of blank recipe books where we could basically write in our favorite recipes like a journal. In this particular blank recipe journal, you'll find a fill-in-the blank table of contents where you can write the name and page number of your recipes. Then open the book a few pages further and you'll find room to write 100 recipes. You get two pages for every recipe. The first page (the left page) has a place for entering cook times, how many people the meal serves, cook temperatures and then several lines for ingredients. The second page (the right page) has space for the recipe instructions, special notes, and other notes you want to keep. Every recipe has a page number for easy reference in your table of contents. After creating this blank recipe book, we decided we could make our recipes even more organized with blank recipe books by topic. Now we have recipe journals for grilling, desserts, holidays, and even gluten-free meals! Check them out on our Amazon Author Page.
