The Face of the Earth: A Novel Deborah Raney

From the award-winning author of *After All*, a man finds his wedding vows tested after his wife disappears.

What if she never came home . . . ?

When Mitchell Brannon's beloved wife sets off for home after a conference, he has no idea that his life is about to change forever. Mitch returns from work early that evening, surprised that Jill's car isn't in the garage. But her voice on the answering machine makes him smile. "Hey, babe, I'm just now checking out of the hotel, but I'll stop and pick up something for dinner. Love you." Hours later, Jill still hasn't returned, and Mitch's irritation turns to dread.

When the police come up empty, Mitch enlists the help of their next-door neighbor, Jill's best friend, Shelley, to help search. As hours turn into days and days into weeks, Mitch and Shelley's friendship grows ever closer—and decidedly more complicated. Every lead seems to be a dead end, and Mitch wonders how he can honor the vows he made to a woman who has seemingly disappeared from the face of the earth.
