Lord Love a Duke (The Lords of Oxford) (Volume 1) Renée Reynolds

Jonas Leighton, Duke of Dorset, needs to find a husband for his spirited sister before she drives him insane. He hastily organizes a house party with a guest list that includes a wide-range of potential suitors, but unfortunately for the duke, his sister, Lady Miranda, has no desire to enter a union yet. Instead, her agenda for the dreaded party calls for the help of her closest friend, Lady Juliet Quinn, to thwart and confound her brother's plans by orchestrating a series of pranks meant to humiliate and confound him . . . if only he would cooperate and be the victim. Someone at the house party is in a marriage-minded way, despite his best intentions otherwise: the Duke himself. He has secretly admired Lady Juliet for several years now, but she is off limits in many ways; not only is she friend to Miranda, she is also the sister of his close friend, Charles Quinn, Earl of Bristol. Perhaps the biggest obstacle is the tiny problem that Lady Juliet has vowed to avoid marriage, wanting no part of the typical unions of their set based on convenience, money, or titles and lands. With nothing at the party going according to anyone's carefully laid plans, and most of the guests participating in their own plots and schemes, the final prank yields even more surprises. Whatever is a Duke to do?
