Cameras come in all shapes and sizes and the point and shoot camera has steadily become the most popular choice for many people. This is aided by their addition into most popular handheld devices, such as phones, tablets and even PDA's. However, if you want to have a little more control over the settings and functions which can make a real difference to your pictures, you will need to upgrade.

The best cameras on the market are Digital Single Lens Reflex cameras, (DSLR). They do not need to be exceptionally expensive, the entry level Nikon product is just under four hundred dollars; however, they can offer a much better experience with higher quality photos.
