The New Life

Orhan Pamuk

The New Life Orhan Pamuk

The protagonist of Orhan Pamuk's fiendishly engaging novel is launched into a world of hypnotic texts and (literally) Byzantine conspiracies that whirl across the steppes and forlorn frontier towns of Turkey. And with **The New Life**, Pamuk himself vaults from the forefront of his country's writers into the arena of world literature. Through the single act of reading a book, a young student is uprooted from his old life and identity. Within days he has fallen in love with the luminous and elusive Janan; witnessed the attempted assassination of a rival suitor; and forsaken his family to travel aimlessly through a nocturnal landscape of traveler's cafes and apocalyptic bus wrecks. As imagined by Pamuk, the result is a wondrous marriage of the intellectual thriller and high romance. Translated from the Turkish by Guneli Gun.

"[A] weird, hypnotic new novel...It veers from intellectual conundrums in the Borges vein to rapturous lyricism reminiscent of Gabriel Garcia Marquez."--Wall Street Journal
