The Red Queen: Fantasies, Fetishes & Flesh Book III (Volume 3) Abyrne Mostyn

Introduced in Swingers, we never really got more than her calling card. Margaret is a Dominatrix. She is the master of all that happens around her at all times. Her chambers are a playground for the things that aren't talked about in proper circles, but perhaps in hushed whispers. Men and women alike who want the exquisite, disparate, ecstasy-torture of riding the edge to submission come to her in droves hoping she would dominate them. A BDSM master, she is in demand by those who live the lifestyle, though few know who she is behind her guise. An hourglass in red leather, she never reveals her identity and that seems to heighten the fantasy. How did she get here? Every raindrop triggers a ring of influence and every influence a crown or crisis to bear. How Margaret became is a long tale. This is just the beginning.
