*This Was a Man* opens with a shot being fired, but who pulled the trigger, and who lives, and who dies?

In Whitehall, Giles Barrington discovers the truth about his wife, Karin, from the Cabinet Secretary. Is she a spy or a pawn in a larger game?

Harry Clifton sets out to write his magnum opus while his wife, Emma, completes her 10 years as Chairman of the Bristol Royal Infirmary and receives an unexpected call from Margaret Thatcher offering her a job.

Sebastian Clifton becomes chairman of Farthings Kaufman bank, but only after Hakim Bishara has to resign for personal reasons. Sebastian and Samantha's talented daughter, Jessica, is expelled from the Slade School of Fine Art, but her aunt Grace comes to her rescue.

Meanwhile, Lady Virginia is about to flee the country to avoid her creditors when the Duchess of Hertford dies, and she sees another opportunity to clear her debts and finally trump the Cliftons and Barringtons.

In a devastating twist, tragedy engulfs the Clifton family when one of them receives a shocking diagnosis that will throw all their lives into turmoil.

*This Was a Man* is the captivating final instalment of the Clifton Chronicles, a series of seven novels that has topped the bestseller lists around the world and enhanced Jeffrey Archer's reputation as a master storyteller.
