All Lance wants is the girl he grew up with... *and* the boy...

He sent Farah away to college because it was the right thing to do. What young woman should be trapped on a ranch in the middle of nowhere for the rest of her life? Especially a curvy dark beauty like Farah. And while she was gone, he and Mason finally gave into the love brewing between them since they were teenagers. But will it risk Lance's billion dollar inheritance?

Mason is torn between the man and woman he loves, and refuses to step aside for either...

He wants them both- the lush, feisty beauty and the man with summer-sky eyes he's loved since they were kids. It kill shim to see Frank with lance and know that they might both be lost to him forever.

But neither man counted on Farah, and her determination to keep both men in her life. She wants to share her heart, and her body, and will confront Frank to demand he accept the love between the trio.
