...He has made us kings and priests... (Revelations 1:6 NKJV)

God is showing up in places we have never imagined. We thought He was just for Sunday church or mid-week study. But God is showing up in small businesses and on construction sites, in schools and in politics. He is in factories and at check-out counters, at nurses' stations and the stock exchange. God is showing up everywhere outside of where we expect Him to be.

So what does it mean?

We serve a God who is not acting like we thought He should act.

This book is an awesome tool of discovery to learn not only what God wants, but how we can cooperate with His plan for the nations, not just the Church.

Discover how He want you to step into a realm of ministry and fulfillment you have never dreamed possible. Learn how your work is the powerful dynamic of God's purposes for your life.

This book is the beginning of new possibilities for those who are willing to see that God is bigger than they thought He was.
