This case is historical. It is a Case of First Impression. Maybe this is not the first time something like this has happened in the Coast Guard; but, this is the first time it has been thoroughly documented. This Book is the result of hundreds of hours of research, eye witness interviews, and analysis. The actual parties in this tragedy were painstakingly interviewed and interviewed again. The facts were checked and re-checked. The facts are absolutely accurate and indisputable. The Time Line is accurate right down to the day, the minute and the hour. General David Petraeus, a 4-star general with over 37 years in the military, was the most senior officer to be prosecuted during the politically correct era between 2008 and 2016. He was a West Point graduate and former Director of the CIA. The 62 year old General Petraeus pled guilty to one misdemeanor charge of mishandling classified information and was sentenced to a fine of \$100,000 and probation for three years. How could such a celebrated general be treated so badly? Well, he was not alone. He was just one of many distinguished senior officers to be purged from all branches of the military services during that period. What was a noticeable purge of commanders, by 2009 had topped 197. Why were these officers being fired? From dereliction of duty to not saluting properly, there was much speculation. Other reasons given were “leaving blast doors on nukes open”, and “loss of confidence in command ability” to “mishandling of funds” to “inappropriate relationships” to “gambling with counterfeit chips” to “inappropriate behavior” to “low morale in troops commanded” to politically incorrect speech. Commander Benjamin Strickland, U S Coast Guard was caught in this web of insanity. There was Cmdr. Derick Armstrong, Commander, guided missile destroyer USS The Sullivans; Cmdr. Joseph E. Darlak, Commander, USS Vandegrift; Cmdr. Jon Haydel, Commander, USS San Diego; Cmdr. Diego Hernandez, Commander, ballistic-missile submarine USS Wyoming; Cmdr. Michael Ward, Commander, USS Pittsburgh; and, Cmdr. Jeffrey Wissel, Commander, of Fleet Air Reconnaissance Squadron 1. Not all of the victims wore the military uniform. There was Jeffrey Sterling a former CIA Officer and whistle blower. To this day the list continues to grow. This Book captures a piece of living History. It hits the nail right on the head. There has never before been a CDR Benjamin Strickland in the Coast Guard Officer Corps, and there will never be again. What happened here will probably never again be repeated, partially because it was recorded and exposed. Just like the first time a Coast Guard Academy cadet was court-martialed (The Case of Cadet Webster Smith). It too will never happen again. The book about that case exposed the fallacy, and the utter futility of it all. The Case of CDR Benjamin Strickland will go down in history as being one of a kind, unique. The story will be told again and again. Rumors will abound. People will embellish. But, here is the book. Here are the facts, the Truth, the piece of living History. It is eternal. It will live in infamy. This book was written for posterity, not for profit.
