Does this guy still work for the Canadian Military: Canadian Forces Shilo Base Surgeon Major Salsman Wallice Bellair

For example, let's look at Canadian Forces Shilo Base Surgeon Major Salsman's letter a little closer: The cover-up letter dated 17 July, 2006 by Canadian Forces Shilo Base Surgeon Major Salsman! In it, Canadian Forces Shilo Base Surgeon Major Salsman says "I am unsure what is wrong with this lady"? Unless this guy is "a blithering idiot" and had forgotten about his own personal involvement with this young Canadian Forces female member: Specifically, as also recorded in the medical unit at Shilo Manitoba base camp on 05 July, 2006 "friction marks, hot spots and blisters caused by grossly oversized combat boots" -- Signed by Canadian Forces Shilo Base Surgeon Major Salsman! On 05 July, 2006 the medical unit at Shilo Manitoba base camp recorded "blisters and hot spots" on left and right foot -- Signed by Canadian Forces Shilo Base Surgeon Major Salsman! Also recorded in the medical unit at Shilo Manitoba base camp on 05 July, 2006 "on left foot there is a 1" long friction mark on the posterior aspect of the foot slightly proximal from the 'calcaneus(?)'. There is also a blister on the plantar aspect of the foot located on the heel. It appears to be relatively deep. On the right foot there is a similar friction mark as described on the left foot. There are hot spots located on the bottom of both heels" -- Signed by Canadian Forces Shilo Base Surgeon Major Salsman! As also recorded in the medical unit at Shilo Manitoba base camp on 05 July, 2006 "enquire about new boots, should be fitted with orthotics, and dressed friction marks, dressed with 'hypafix(?)' and 'mepore(?)' - - Signed by Canadian Forces Shilo Base Surgeon Major Salsman! On 10 July, 2006 Canadian Forces Shilo Base Surgeon Major Salsman placed an order for special proper fitting boots for this young Canadian Forces female member with "vibram-soles" to accommodate her wide feet so she could perform her military duties! Ah, what's that word that comes to mind when one reads that apparent "cover-up" letter dated 17 July, 2006 written by Canadian Forces Shilo Base Surgeon Major Salsman - Ah yes, can anyone spell fabrication ["lie"]?
