Batman Masterpieces: Portraits of the Dark Knight and His World Ruth Morrison

A new installment of the ongoing Batman/Joker saga as well as hundreds of dazzling illustrations from leading artists make up Batman Masterpieces, the comic book illustration classic now available in affordable paperback! This fabulous book features spectacular paintings from some of today's best comic book and fantasy artists, who present the Dark Knight and his supporting cast as you've never seen them before. Originally produced for the wildly popular DC Comics Batman Master Series trading cards, these lavish illustrations are reprinted here, larger and more astounding than ever. They are creatively combined in a new way to tell an original story by veteran Batman author Doug Moench—a brand-new installment of the ongoing Batman/Joker enmity. Fans and aspiring artists will also be delighted to find dozens of development sketches and notes, which were provided by the famous artists included in this book and which explain the creative approach behind their artwork. For Batman fans, comics lovers, and aspiring artists everywhere, Batman Masterpieces is a fantastic source of never-ending inspiration and excitement!
