Sports in Society emphasizes the cultural, interactional, and structural dimensions of sports. Coakley encourages readers to think critically about issues and controversies in sports while considering their own personal experiences, families, schools, communities and societies.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient. For instance, **Connect** contains **SmartBook**, the first and only adaptive reading experience available for the higher education market. Powered by the intelligent and adaptive **LearnSmart** engine, **SmartBook** facilitates the reading process by identifying what content a student knows and doesn't know. As a student reads *Sports in Society*, the material continuously adapts to ensure that he or she is focused on the content most crucial to closing specific knowledge gaps.
