We have been taught that dreams are the way that our bodies handle our day to day experiences, but dreams are so much more. Through them, we can travel astrally. We can see visions and much more. Thanks to my dreams, I was able to connect with my Twin Flame Ashtar Sheran. In this book, I talk about my experiences with dreams.

This book is based on personal experiences. It is recommended that you read book one, “The Truth” and book two, “Twin Flames”, before reading this one.
