William McCown:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country.
