Peter Cartwright, Legendary Frontier Preacher Robert Bray

Believing deeply that the gospel touched every aspect of a person's life, Peter Cartwright was a man who held fast to his principles, resulting in a life of itinerant preaching, and thirty years of political quarrels with Abraham Lincoln. *Peter Cartwright, Legendary Frontier Preacher* is the first full-length biography of this most famous of the early nineteenth-century Methodist circuit-riding preachers. Robert Bray tells the full story of the long relationship between Cartwright and Lincoln, including their political campaigns against each other, their social antagonisms, and their radical disagreements on the Christian religion, as well as their shared views on slavery and the central fact of their being self-made. In addition, the biography examines, in close detail, Cartwright's instrumental role in Methodism's bitter divorce of 1844, in which the southern conferences seceded in a remarkable prefiguration of the United States a decade later. Finally, Peter Cartwright attempts to place the man in his appropriate national context: as a potent man of words on the frontier, a self-authorizing legend in his own time, and, surprisingly, an enduring western literary figure. English department at Illinois Wesleyan University. He is the author of *Rediscoveries: Literature and Place in Illinois*.
