The Guardians: The New Homefront, Volume 2 Steven C. Bird

The Guardians is the second book in The New Homefront series where patriotic Americans struggle to survive in a collapsing world, while taking a stand against the evil and tyranny that quickly follows. It is the sequel to *The Last Layover: The New Homefront*, volume one. *The Guardians* picks up where *The Last Layover* left off, as well as introducing an exciting new parallel story line and characters. Join our characters as they struggle to survive and find their way in a world forever changed by the events detailed in volume one. *The Guardians* is an action-adventure thrill ride, packed with plausible events that offers listeners a glimpse into a potential collapse of society, while providing an exciting and entertaining story with characters you will feel you truly know and understand. Continue on this journey with them as they face the dangers, hardships, chaos, and violence of an unraveling and collapsing modern world, while never losing touch with their own humanity, decency, and dignity.

From reader reviews:

Steven Zakrzewski:

Hey guys, do you wish to find a new book you just read? Maybe the book with the concept The Guardians: The New Homefront, Volume 2 suitable to you? The book was written by a popular writer in this era. The book entitled The Guardians: The New Homefront, Volume 2 is the main of several books in which everyone reads now. This book has inspired lots of people in the world. When you read this guide you will enter the new shape that you never knew before. The author explained their thoughts in a simple way, and so all of people can easily recognize the core of this guide. This book will give you a large amount of information about this world now. To help you to see the representation of the world in this particular book.

Ramona Johnson:

Reading an e-book tends to be a new life style in this era of globalization. With looking at you can get a lot of information that will give you benefit in your life. With books everyone in this world can share their ideas. Guides can also inspire a lot of people. Lots of authors can inspire their very own readers with their stories or perhaps their experiences. Not only the stories that are shared in the guides, but also they write about the ability about something that you need in a certain point. How to get a good score on TOEFL, or how to teach your young ones, there are many kinds of books that exist now. The authors on this planet always try to improve their talent in writing, they also do some exploration before they write the book. One of them is this The Guardians: The New Homefront, Volume 2.

Frank Ouellette:

People live in this new moment of lifestyle and always try and must have the time or they will get a great deal of stress from both ways of life and work. So, if we ask do people have free time, we will say absolutely indeed. People are human not just a robot. Then we request again, what kind of activity do you have when the spare time comes to a person of course your answer can be unlimited. Then do you try this one, reading ebooks. It can be your alternative with spending your spare time, the book you have read is usually The Guardians: The New Homefront, Volume 2.

Heidi Montgomery:

Within this era which is the greater man or woman or who has ability to do something more are more important than others. Do you want to become considered one of them? It is just a simple way to have that. What you must do is just spending your time almost no but quite enough to experience a look at some books. One of several books in the top listing in your reading list is actually The Guardians: The New Homefront, Volume 2. This book which is qualified as The Hungry Mountains can get you closer in turning out to be a precious person. By looking upward and reviewing this publication you can get many advantages.
