Threshold Bible Study is a thematic Scripture series designed for both personal study and group discussion. The thirty lessons in each study may be used by an individual for daily study over the course of a month or they may be divided into six lessons per week, providing a group study of six weekly sessions. Through the spiritual disciplines of Scripture reading, study, reflection, conversation, and prayer, readers will cross the threshold to a more abundant dwelling with God. Ideal for Bible study groups, small Christian communities, parish leadership teams, adult faith formation, student Scripture-study groups, RCIA teams, catechumens and candidates, catechists and teachers.

The second half of Luke's gospel narrates Jesus' journey to Jerusalem and shows the inclusiveness of his love even for those who crucify him. Along the way, readers learn how to be compassionate disciples and how to extend his salvation to all people.
