## **An Armchair Traveller's History of Finland (Armchair Traveler's History) Jonathan Clements**

In the American mind, Finland is often swept up in the general group of Nordic countries, little known and seldom gaining prominence on its own. But as Jonathan Clements shows in *An Armchair Traveller's History of Finland*, it has a long and fascinating history, one that offers oddities and excitements galore: from prehistoric herders to medieval lords, Christian martyrs and Viking kings, and the war heroes who held off the Soviet Union against long odds.

Clements travels the length of the country as he tells these stories, along the way offering accounts of Finland's public artworks, literary giants, legends and folktales, and famous figures. The result is the perfect introduction to Finland for armchair and actual travelers alike.

#### **Lisa Robinson:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see

colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this An Armchair Traveller's History of Finland (Armchair Traveler's History) can make you truly feel more interested to read.
