## **First Principles of Instruction** M. David Merrill

This handy resource describes and illustrates the concepts underlying the “First Principles of Instruction” and illustrates First Principles and their application in a wide variety of instructional products. The book introduces the e<sup>3</sup> Course Critique Checklist that can be used to evaluate existing instructional product. It also provides directions for applying this checklist and illustrates its use for a variety of different kinds of courses. The Author has also developed a Pebble-in-the-Pond instructional design model with an accompanying e<sup>3</sup> ID Checklist. This checklist enables instructional designers to design and develop instructional products that more adequately implement First Principles of Instruction.
