SHE NEEDS A MIRACLE

Morgan has had it with life. She’s been cheated on, lied to, and disrespected in the extreme. Now it’s time for her to show her family and friends just what she’s made of—or rather what her cakes are made of. Winning the Cake-off Competition is her chance to be completely independent and enable her to provide for her family. Nothing is going to stop her. Except, perhaps, the blizzard stalling her trip to the mountain resort where the competition is being held.

HE NEEDS A NEW TAKE ON LIFE

As a former professional hockey player, Knox is cynical when it comes to love. Especially since his bank account and notoriety tends to draw the kind of women who see dollar signs instead of lifelong commitment. Finding the stranded stranger talking to God tugs at his heartstrings but when he takes her in from the cold, he realizes she’s just as hungry for fame as everyone else.

Will Morgan miss the competition? Or will her life finally fall into place— before it falls apart?

“I couldn’t put this (THY WILL BE DONE) story down. Entertaining and funny.”

~USA Today Bestselling Author Margaret Daley
