*Night School*, the first book in a series of darkly romantic YA thrillers set in a British boarding school, is generating excitement around the world.

When Allie Sheridan gets arrested—again—her parents have had enough. They send Allie to the Cimmeria Academy far away from her London friends. The school is beautiful, and filled with gorgeous, ultra-wealthy teens who travel by private jet, were raised by nannies, and only shop on 5th Avenue or Bond Street.

As the school begins to seem like a very dangerous place, she must decide who she can trust if she's going to find out what's really going on.
