Matthew Reilly

[(The Great Zoo of China)] [By (author) Matthew Reilly] published on (August, 2015) Matthew Reilly Now in mass-market--the action-packed thriller in the blockbuster and bestselling tradition of "Jurassic Park" from #1 internationally bestselling author Matthew Reilly! It is a secret the Chinese government has been keeping for forty years. They have proven the existence of dragons--a landmark discovery no one could ever believe is real, and a scientific revelation that will amaze the world. Now the Chinese are ready to unveil their astonishing findings within the greatest zoo ever constructed. A small group of VIPs and journalists has been brought to the zoo deep within China to see these fabulous creatures for the first time. Among them is Dr. Cassandra Jane "CJ" Cameron, a writer for "National Geographic" and an expert on reptiles. The visitors are assured by their Chinese hosts that they will be struck with wonder at these beasts, that the dragons are perfectly safe, and that nothing can go wrong. Of course it can't... "Plenty of action....For over-the-top adventure addicts, a Reilly novel is like a new roller coaster opening at Great America. Lines form, fans swoon" ("Booklist").
