The Peace Equation: God's process to help you overcome anxiety - and maintain your sanity - in a crisis Steve Gibbs

There are many excellent books written by psychiatrists and other professionals about how to attain spiritual peace during turmoil. To me, this book was different. I knew these people. They were a church family. Their troubled daughter was a Sunday School kid. She had been on mission trips, excelled in school and had been a youth leader. She had not been the result of a broken family or abusive parents. She was expected to be the best because she was a product of the best. I had to read and take note of this story. This was the real thing. The spiritual battle Steve and Tracy Gibbs went through will dislodge other believers from faith in the predictable and engage them in the power of the Almighty in real life experience. Jay Robinson Church Elder Attorney (retired) Steve Gibbs is a writer in Memphis, TN. He has degrees in public relations and mass communications.
