## **American Pharmaceutical Association's Guide to Prescription Drugs** Dan Sullivan

Working in collaboration with the American Pharmaceutical Association (AphA), pharmacist Donald Sullivan has compiled this reference guide covering approximately 1,000 of the most commonly prescribed drugs. Organized in an accessible format, and written in straightforward terms for easy reading and comprehension by people without medical expertise, each drug listed includes both brand and generic names, principal uses, dosages, average prices, and advice on when to use and when to avoid certain drugs. A handy reference guide for anyone who wants to know the facts about prescribed medication.
