Aviation & Aerospace Almanac 2001

Aviation & Aerospace Almanac 2001

This work aims to be a source of reference for the aviation industry. It combines statistics from industry and government sectors and its features include: "harried" traveller information - delays, lost baggage, on-time records and complaints; charts tracking DOT/FAA, US defence, military and space funding requests; domestic regional and international traffic, markets, expenses, operations, and inventory; forecasts of airport production, airline inventory, aircraft utilization, worldwide traffic and import-export volume; and US government agency phone directories.
