Number of Pages: 12+1 foldout

This is a reproduction, not a photocopy, of an original Craftsman 10" Table Saw 103.27270 Instructions and Parts Manual. This manual contains general safety instructions, operation instructions, assembly instructions, adjustments, maintenance, lubrication, and a complete set of exploded view diagrams of the parts with descriptions.

Overview:

I have collected this information for many years and have found the information they contain to be priceless in using and setting up the machines properly. I believe this manual will be a valuable resource of knowledge that will provide a lot of helpful information that is often hard to find. My manuals are not photocopies. I maintain a high standard of quality in my reproductions. Most of the manuals I reproduce look better than their originals. I have professionally digitally edited every page, and removed stains, wrinkles and handwriting. All of the manuals are printed on thick white paper to withstand shop wear and tear.
