This beautifully illustrated counting board book, now translated into Spanish, introduces children to the numbers 1 through 10 using simple prose and colorful illustrations of sailors, ships, equipment, uniforms, medals, and traditions exclusive to the Navy community.

Along with the other books in this series, My First Counting Book: Navy uses engaging images paired with numbers and facts, making them easy to read and the information memorable and recognizable. With the numbers 1 through 10 incorporated, children will learn about the respectable work of the Navy and how they help keep our country safe! The inside back cover of each book provides a key for parents and educators to teach children further information and facts about each item featured. Additionally, the sturdy board book format is perfect for repeated handling by young children. These books are especially meaningful for children in Spanish-speaking military families and communities.
