**Monster Shallow-Water Stripers: How to Catch the Largest Bass of Your Life** Captain Jim White

Whether you fish for stripers with a fly, plug, or bait, this comprehensive resource for catching trophy fish in shallow water will become an indispensable guide.

Captain Jim White shares his wisdom from over forty years of chasing and fishing for striped bass with the best in the business, including Shaw Grigsby, Lefty Kreh, Dan Blanton, Nick Curcione, and Bob Popovics. This book includes chapters on rigging and presentation, the best lures and flies, fishing the flats and estuaries, finding and targeting large fish, and boat electronics written by a master angler who has, so far in his career, helped anglers "land 1 fish of 60 pounds; 14 fish between 50 and 58 pounds; 216 fish between 40 and 49 pounds; and 336 fish between 30 and 39 pounds." If you are looking to catch a fish of a lifetime--whether you target stripers in the Northeast or on the West Coast, or fish stillwaters across the country for hybrids--this book is essential reading.

Captain Jim White is owner of White Ghost Charters, specializing in light tackle and fly fishing for trophy stripers in Narragansett Bay. He is on the Triton/Evinrude E-Tec, Thomas & Thomas fly rods, Quantum, and Lunker City Lures pro staffs and is the author of the best-selling book, Fishing Soft Plastics. He lives in Coventry, Rhode Island, and appears at tackle shows throughout New England.

#### **James Edgar:**

As a college student, I exactly feel bored to help reading. If their teacher requested them to go to the library or make a summary for some guide, they are complained. Just very little students that have reading's heart and soul or real their leisure activity. They just do what the educator wants, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise, word says, ways to reach Chinese's country. Therefore, this *Monster Shallow-Water Stripers: How to Catch the Largest Bass of Your Life* can make you sense more interested to read.

#### **Judy Yelle:**

A number of people said that they feel weary when they reading a guide. They are directly felt this when they get a half parts of the book. You can choose typically the book *Monster Shallow-Water Stripers: How to Catch the Largest Bass of Your Life* to make your current reading is interesting. Your own personal skill of reading expertise is developing when you such as reading. Try to choose easy book to make you enjoy to see it and mingle the sensation about book and studying especially. It is to be first opinion for you to like to wide open a book and learn it. Beside that the guide *Monster Shallow-Water Stripers: How to Catch the Largest Bass of Your Life* can to be a newly purchased friend when you're experience alone and confuse using what must you're doing of these time.
