Official Triumph TR6 and TR250 Workshop Manual This manual was prepared in close cooperation with British Leyland Motors in order to provide complete, authentic and up-to-date maintenance and repair information to Triumph owners, dealership service departments, and other professional mechanics. The Driver's Handbook (Owners Manual), which comprises the first part of this manual, is the handbook provided with every new Triumph. The Workshop Manual (Repair Manual), which comprises the second - and largest - portion of this manual, is the official factory manual. This manual contains emission control information that applies specifically to Triumph manufactured for the United Kingdom and North American markets, and a complete, illustrated catalog of special tools. Bentley Publishers has incorporated additional factory procedures and specifications that have become available following the publication of the original factory information. This manual is therefore an accurate and comprehensive set of service information for Triumph TR6 & TR250 models sold in the UK and North America during the model years 1967-1976.
