What!?: Never the Same Game Twice Nathan J. Davolt

For two or more players, this exciting game is like a combination of Pictionary, Catchphrase, and Charades, all in a highly portable paperback. The choose-your-own-adventure style creates a different gaming experience every time you play. Count on memories and laughter as you jump between the game's four sections: Write, Hint, Act, and Talk. In the Write section, keep your friends guessing as you write or draw a picture. In the Hint section, give your friend hints to lead them to the answer. In the Act section, act out the scene until your friends guess who or what you are. In the Talk section, give a speech until your friends can't hide their laughter anymore. For ages 8 and up, this game will keep your family and friends entertained no matter how many times you play, for it is truly "never the same game twice."
