The world has ended. A disease coming from the Nether world took over the world and turned almost all of its inhabitants into mindless, flesh-eating zombies. In desperation, RichKid421 agreed to aid the queen of spiders to travel to the Nether world and procure the missing ingredients to re-open the gates to the End. However, the group was ambushed as soon as they set foot on the Nether by a horde of Zombies and Zombie-Pigmen. Separated from the group, RichKid421 made his way to a Nether Fortress to gather the materials he needs to put his plan in motion and finally escape the grasp of the cruel spider queen. But the task seemed easier said than done. Cornered and outnumbered, RichKid421 was stabbed by a Wither Skeleton and was left to die as chaos ensued inside the Nether Fortress.
