Oracle of the Dreamtime Donni Hakanson

Oracle of the Dreamtime is a beautiful book and card divination set based on Aboriginal spiritual beliefs - the Dreaming stories - that have been passed around camp fires for thousands of years. There is much that this old wisdom can still teach us about how to live our lives today, and here the Dreamings are presented as a tolls for self-exploration and inspiration, in a form accessible to all. According to the dreamings, animals plants and creatures of the land are the Aboriginal ancestors, brothers and sisters, mothers or fathers. They are called, kobong, or totems, and are never to be harmed. In return, they give protection, connect us to the spiritual, and guide us during difficult moments. Donni Hakanson's insight into Aboriginal culture, together with the stunning and authentic dreaming card illustrations, combine to help us find the answers that lie within ourselves.
