Whenever the president faces a national crisis, he always calls on his favorite canine team—the Power Puppies! However, no one ever expected the next emergency to be the dirty work of the president's own pet cats. But after seeing the Power Puppies on Ellen, their favorite show, the cats decide to put their paws down. From dumping rotten fish into the Pup Park under the White House to stealing Power Puppy DNA, these feline fiends will stop at nothing to get on Ellen's show and one-up the pups. Will the Power Puppies be able to outwit these crazy cats, or will they be overcome by a supercharged cat army? Mike, Vizzi, Meg, Cami, Frost, Shatter, Scarlet Shimmers, Zip, and Otis have to take teamwork to the next level if they want to keep their positions as the president's top dogs! All profits for this book collected by the publisher will be donated to the Humane Society of Indianapolis or to other no kill animal shelters.

From reader reviews:

Noemi Burns:

What do you ponder on book? It is just for students as they are still students or it for all people in the world, what best subject for that? Just simply you can be answered for that problem above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't need do that. You must know how great in addition to important the book Power Puppies. All type of book can you see on many resources. You can look for the internet options or other social media.

Ramona Wrenn:

Book is to be different for every grade. Book for children until adult are different content. As you may know that book is very important normally. The book Power Puppies had been making you to know about other information and of course you can take more information. It is very advantages for you. The guide Power Puppies is not only giving you considerably more new information but also to be your friend when you really feel bored. You can spend your personal spend time to read your reserve. Try to make relationship with the book Power Puppies. You never feel lose out for everything when you read some books.

Jeremy Reed:

The reason? Because this Power Puppies is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book possess such as help improving your proficiency and your critical thinking way. So , still want to hold up having that book? If I were you I will go to the reserve store hurriedly.

April Hanson:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Power Puppies can make you really feel more interested to read.
