Life is funny never say never! One day I was average teenage girl, the next I'm working truck stops, strip clubs, brothels and flying out of country hoing! But never in a million years would I have thought I'd be married to a pimp and bare his child. As I watch Keena play on her swing set her brother Kamello was running around falling all over the grass. She and Kamello were two years old. I thought about getting them some puppies, but that thought bruised my heart. It reminded me of Antonio dogs Midnight and Baboom, it was hard not being able to see Antonio anymore. I still loved him and I should have married him. Kimo doesn't hit me anymore but then again I really haven't given him a reason. He has spoiled me rotten buying me a house in my name and a car fresh off the lot. Not only did he put low jack on my car, but he put it on the pussy too! He hired a personal bodyguard around the house of course he used every other excuse for him being around. I pretended to be stupid, but I knew the truth so I nick named him Lojak. His position was supposed to be handy man to do all the chores Kimo wouldn't do to maintain my house, which was fine by me. He also offered to hire a nanny for me and Diamond, but that to me is just more eyes and ears around the house I didn't need.
