**The Case of the Runaway Corpse (Perry Mason Series)** Erle Stanley Gardner

Her husband was stealing her money, while accusing her of a plot to poison him -- or so claims the frightened young Mrs. Myrna Davenport. She wants Perry Mason to find the incriminating note her husband left for the authorities accusing her of murder -- especially now that Davenport is dying.

Perry finds the envelope, but it's filled with blank paper. Then Davenport does die, or so everyone thinks until his alleged corpse climbs out a window and drives away -- straight into a prepared open grave in another county.

With Davenport finally dead, Perry could become a possible accessory to murder. And though the victim died twice, Perry gets only one clear shot at saving his client -- and himself.
