The M&M Boys Lara Reznik

Ranked #1 Coming-of-Age - #1 Sports Fiction - #2 Historical Fiction - #6 All genres during Amazon promotion.

From the best-selling author of *The Girl From Long Guyland*, Lara Reznik creates a compelling coming-of-age baseball story that "weaves the fanciful with the reality, no easy task when mixing real-life events with fiction. But she bats .400 as she segues into the facts about the game, the players, and the way things were in the Bronx before the days of the George Steinbrenner Yankees." - Joanna DelBuono, *Brooklyn Daily*

In the summer of 1961 Little League player, Marshall Elliot's joy of making the All-Star team evaporates when his father, too busy with a girlfriend, misses his triumphant opening game, and his mother spirals into a bed-ridden depression. Then, Roger Maris and Mickey Mantle move next door as they battle to break Babe Ruth's home run record.

Based on historical facts, *The M&M Boys* explores the parallel lives of an embittered Maris and a self-destructive Mantle who live together incognito in a remote Queens apartment. Maris, a misplaced Midwesterner, gets booed by the Yankee fans who prefer Mantle, and the press pursue him mercilessly. Mantle, on the other hand, basks in New York fans approval, but a series of injuries destroy his hope of winning the competition. Marshall's friendship unearths childhood memories for both men. What all three M&M Boys have in common is a good lesson in how to play the game of life, on and off the field.

From reader reviews:

Dale Winsett:

In other case, little folks like to read book The M&M Boys. You can choose the best book if you'd prefer reading a book. So long as we know about how is important the book The M&M Boys. You can add expertise and of course you can around the world by a book. Absolutely right, mainly because from book you can learn everything! From your country right up until foreign or abroad you will find yourself known. About simple issue until wonderful thing you may know that. In this era, we can open a book or perhaps searching by internet gadget. It is called e-book. You may use it when you feel fed up to go to the library. Let's study.

Rose Ibarra:

Your reading sixth sense will not betray a person, why because this The M&M Boys e-book written by well-known writer who knows well how to make book which can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still hesitation The M&M Boys as good book not simply by the cover but also with the content. This is one publication that can break don't assess book by its include, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your examining sixth sense already told you so why you have to listening to another sixth sense.

John Wiser:

As we know that book is vital thing to add our information for everything. By a book we can know everything we want. A book is a list of written, printed, illustrated or even blank sheet. Every year had been exactly added. This e-book The M&M Boys was filled with regards to science. Spend your time to add your knowledge about your research competence. Some people has several feel when they reading some sort of book. If you know how big benefit from a book, you can really feel enjoy to read a guide. In the modern era like right now, many ways to get book that you simply wanted.

Jennifer Valdovinos:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The M&M Boys can make you really feel more interested to read.
