Manhattan GMAT Prep

Word Translations GMAT Preparation Guide (Manhattan GMAT Preparation Guide: Sentence Correction) Manhattan GMAT Prep

Word Translations (1 of the 8 books in Manhattan GMAT's Preparation Guide series) provides a highly organized and structured approach to the variety of questions in this quantitative content area. This guide analyzes all categories of the GMAT's complex math word problems and provides frameworks for attacking each question type. Students then practice translating challenging word problems into clear equations. The book offers a unique balance between two competing emphases: test-taking strategies and in-depth content understanding. Practice problem sets build specific foundational skills in each topic and include the most advanced content that many other prep books ignore. As the average GMAT score required to gain admission to top b-schools continues to rise, this guide provides test takers with the depth and volume of advanced material essential for succeeding on the GMAT's computer adaptive format. Book also includes online access to 6 full-length Simulated Practice GMAT Exams at Manhattan GMAT's website.
