A Midsummer's Night Heat (Heat, Book Three) Judy Mays

Third story in the Heat series. Belle can finally take a vacation. Her father Artemis is happily married again, and more than capable of managing the family business without her for a few weeks. Alex may be Alpha of his Pack, but he lost the woman he expected to marry to another werewolf. One whose werewolf father had mated a real wolf, then taught their cubs to assume human form. Abomination! When Belle finds Alex in the woods, bleeding from a gunshot wound, she takes him to her cabin—and her bed—and nurses him back to health. But what will Alex do when he discovers the woman he's falling in love with is a sister to the man he hates most, a woman who had a wolf for a mother?
