Bad Girlz High Goddess Love

Welcome to Fillmore High, where the students have more issues than the teachers. No matter their ages, they have some experience beyond their years. In Chicago, where the streets are wild, these girls only want their diplomas and to start a bright future after high school.

Serena is the new girl to Fillmore. After her father's death, the family packed up and left Ohio. When she gets to the school, she realizes it's way different than her old high school. Getting over a break up with her ex, she tries to push relationships out of the equation of her life and focus on school. Until she meets someone unexpectedly and she manages to fall in love with him.

Midori is Serena's cousin, a young hot mama with a personality just as spicy. She really doesn't care about school, yet she knows she can't get anywhere without an education. She is all about her money and will get it however she can. Midori also has a secret that would shake the school with calamity if it gets out.

Sometimes, the heart wants what the heart wants and nothing can be done about it.

Faith is the mean girl of the school. For years, her and her clique terrorized the students, as well as the teachers. She had a huge ego because she knew that she was the prettiest in the school. Faith never hesitated to let it be known that she had money, by wearing the nicest clothes and driving the hottest car. But once Faith gets home, her fairytale perfect life comes to an end. What Faith is hiding, no one could ever know.

While she was concealing her reality, someone close to her had their heart filled with hate against her.

At the Bad Girlz High, it is either you be bad or you waste your time trying to be good.
