Le Diable Au Corps (French Edition) Raymond Radiguet

Le Diable au corps est un roman de Raymond Radiguet paru en 1923.

C'est le récit d'une histoire d'amour entre un jeune homme et une femme tandis que le fiancé de cette dernière se bat sur le front durant la Première Guerre mondiale. Cette œuvre marque les esprits par l'extraordinaire sens de la formule de son auteur, et surtout le mythe qui l'entoure (Radiguet est mort à l'âge de 20 ans). Des thèmes tels que l'adolescence, la trahison, le scandale, la parentalité, l'adultère, les doutes amoureux sont magistralement abordés dans cet ouvrage.

Autour de cette intrigue, l'auteur a voulu peindre le cycle de la vie dans ces bornes que sont l'enfance et la maturité. On peut cependant y voir également l'expression du risque que court la société en se livrant à toutes sortes de calculs à des fins proprement égoïstes. Voilà une adolescence meurtrie par l'ennui provoqué par quatre années de guerre. On assiste à la désorganisation de la cellule familiale, à la déstabilisation des institutions et surtout à la négation de la valeur intrinsèque de l'homme, qui semble désormais être ravalé à l'état de machine dont le fonctionnement reste conditionné par des forces extérieures.

Le ton désabusé et cynique de Radiguet n'est pas sans rappeler un certain « gidisme », présent notamment dans *L'Immoraliste*. La lucidité et la justesse de l'analyse rapprochent encore ce roman de la grande tradition moraliste (Stendhal ou Madame de La Fayette).

C'est un premier roman de Raymond Radiguet (1903-1923), publié l'année même de sa mort. L'auteur, qui insistait sur le caractère délibérément fictif de toute entreprise romanesque réussie, a toujours nié que le roman eût une quelconque dimension autobiographique.

Le style et l'écriture simples de ce texte consolident le refus de l'auteur de tout ce qui se complexifie d'une manière ou d'une autre.

La publication du *Diable au corps* provoqua un grand scandale, car il postulait la guerre comme condition même du bonheur des amants et portait atteinte au respect sacré dû au soldat. La mort prématurée de l'auteur à l'âge de 20 ans contribua probablement à l'élaboration d'un mythe jamais démenti autour de ce roman.

Randall Wilmes:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Le Diable Au Corps (French Edition) can make you experience more interested to read.
