Never Mind Isabel Hickey, Jay Hickey, Amy Shapiro M. Ed.

Isabel Hickey taught that we can heal the Earth with loving, right relations: “We cannot relate to one another on a head to head basis; only heart to heart. Never Mind! We say it all the time and never hear what it is saying.” Her autobiography, held posthumously for 32 years, is filled with stories of her youth, family and the forces that guided her to become an astrologer, healer as “Boston’s Spiritual Sparkplug”. In it, she discusses psychic realms, spiritual adventures, Earth-bounds, reincarnation and more. Memoirs by her grandson, Jay Hickey, and protege Amy Shapiro, create a loving portrait of a great teacher, and self-realized being. Excerpts from Isabel on the Aquarian Age: “When I say “Never Mind” – and you’ll never solve the issues of life with your mind – I don’t mean that your mind isn’t important. The Sun – the Spirit -- in Aquarius is like the Sun in February, cold, detached, not at its height of warmth. Leo is too attached to those they love; it’s the love sign. They also demand too much of people, until they learn better. Aquarius’ detachment or indifference to individuals is often difficult for people around them. The mission of this New Age of Aquarius is to teach people to be loving but not attached.” “In the Age we are living in we have the priceless privilege of bringing astrology into its place as a sacred science again. ...Thirty years ago, I was told from within that I was to study astrology ... that Astrology was once again to be raised to its rightful estate as a Cosmic Science and many of us had chosen to incarnate at this time for that purpose. This means self-discipline and the willingness to get beyond the pull of the Unlit Self, the personality. Astrology teaches us how to overcome the duality in ourselves, to reach a consciousness where we, having found our inner Center can help our clients to find their own True Self. The blueprint we call the horoscope shows where we stand on the path of evolution. We do not come unbound into this livingness but we can go unbound out of it if we overcome the pull of matter and clear up what needs clearing. The horoscope shows the place and grade we are in at this particular moment; where we go or if we go further is up to us.”
